

Our business partners help Redwood Coast Land Conservancy protect the treasured coastal regions of Southern Mendocino County and Northern Sonoma County.

Wild and scenic lands continue to be vital to the well-being of a community. Public access to trails and park-like areas draws tourism and creates a healthy local economy.

Donations made in the following amounts will add your business to the member category or related business partner circles for one year from the date of the donation. Note: Benefits last for 12 months and will expire at the end of that time if not renewed. Renewal each year is optional.

Gifts made “in kind” will also qualify your business for a listing. Examples are donations of food and beverage for special events, business and construction services, and donations of equipment or products. Please confirm RCLC’s need before making “in kind” donations.

Thank you for your interest and help!

The following lists the benefits attached to each category:

BUSINESS MEMBERS: \$250
